The information you hear today does not constitute investment advice nor an offer to invest in any of the companies referenced in the presentation.

The value of investments and any income from them may go down as well as up. You may not get back all of your original investment. Past performance is not necessarily a guide to future performance.

Opinions expressed in this talk are those of the presenter and not the event organisers (Shares and Cenkos). The event organisers accept no liability for any losses caused by the use of this information.

If there is any doubt over the suitability of a particular investment then you should seek independent advice.

## Glenwick (GWIK) – A selection of Twitter comments

“Why take 10% when you could have 100% + in a week or so!?? [#GWIK](#) will be BIG IMO”

“**GWIK** looking great.continuation and suggest people look at what happened when CEB got going from 0.50. News due”

“Too early for the Sunday ramp? I'll just whisper it then - [#GWIK](#) & [#BNR](#) ARE GOING TO MULTIBAG!!! Whoops.... “

[“#GWIK](#) in fortunate position with AIM listing, no debt, cash to get them to asset, and building a solid business. Great platform”
